Teaching Tier 3 Words: Content Vocabulary

1. **Provide an image**
   Images help ELs access the vocabulary word.
   - Target word: herbivore
   - Herbivores only eat plants.

2. **Describe features**
   Characteristics, actions, & features help ELs form a definition.
   - Herbivores only eat plants.

3. **Offer a non-example**
   Non-examples provide another way to think about the target word.
   - Tigers aren't herbivores because they only eat meat.

4. **Use various contexts**
   Provide another context to learn the vocabulary word.
   - Identify other farm animals that are herbivores.
