Talk-Read-Talk-Write for ELs

1 Talk
Invites ELs to talk about what they think they know about a topic, share a relevant connection, or list what they want to learn.

2 Read
Read aloud a section of text that provides ELs with information about the topic.
Differentiate the reading based on language development like blow.

3 Talk (2)
Talk collaboratively to develop an understanding of the text and share findings.
Differentiate like the image above.

4 Write
ELs Quick Write to identify facts, sequence events, form opinions, or explore implications.
